of resting on the perfect pillow
during your holidays!

Indulge in the ultimate comfort!

1 Feather & Down
Made especially for sleep lovers

- Medium height pillow with good support for those who prefer to sleep on their back or their chest.
- Unique sensation thanks to the use of 100% genuine feather for a wonderfully soft feel.

2 Sense Medium

- Comfortable all night at the right temperature.
- Wool warms us in winter and is cool and comfortable during summer.
- Cotton has the ability to ventilate and wick away perspiration and high humidity.

3 Medic Comfort
A sense of comfort and luxury during sleep

- Memory foam designed and manufactured by NASA.
- Sensitive to the heat radiated by the human body.
- Adapts itself to the weight temperature of the body.
- Relieves irritating pressure of the head.

4 Joy
Luxurious feel and softness

- The rich filling allows the gradual immersion of the head and ensures the correct position of the spine.
- The outer fabric with viscose provides a luxurious feel and softness.
